

Curwensville Lake Recreation Area

We strive to preserve, enhance, and protect the Curwensville Lake for present and future generations.

We provide the highest standard of excellence in public service through our partnership with the community.

“Those who contemplate the beauty of the earth find reserves of strength that will endure as long as life lasts. There is something infinitely healing in the repeated refrains of nature -- the assurance that dawn comes after night, and spring after winter.”

-Rachel Carson
